

AMERIKAHAUS NÜRNBERG

The background of the entire page is a photograph with a red tint. It shows a woman in a dark red top and patterned scarf standing at a wooden podium on a stage, speaking into a microphone. Behind her is a large projection screen displaying a man sitting at a desk and working on a laptop. The setting appears to be a lecture hall or conference room with brick walls.

you should join!

Battle of the Books 2020

# JOIN OUR GERMAN AMERICAN TEAM!

We are pleased to welcome volunteers who are interested in working without pay. There is almost a constant need for **native speakers of English** to support certain program offerings. We are especially happy to find volunteers for our **children's and youth work**, such as the "Battle of the Books". Volunteering at the DAI is a great opportunity to give back to the community and **engage in intercultural exchange!**

## Battle of the Books

For more than 10 years, the Battle of the Books has been a popular and highly anticipated event on our annual schedule. Students compete together as teams against other schools throughout Bavaria. It's a fun opportunity to develop a love of books and get comfortable reading English language literature. The competition is fierce, but educational and entertaining as well!
